Planned project: CFFET accepts applications for grants up to a maximum of £500. You may apply for more than one grant. Please attach to your application form details of your cookery project, together with your itemised costs as far as practical and in order of priority. We are able to support extra curricula activity, with healthy eating as a focus and are particularly interested to support SEND pupils. We can also support projects associated with after school clubs. This will include equipment and foodstuffs. Please state a date by which you hope to complete the project. Should your application be successful, CFFET will need to keep receipts for all expenditure relating to your grant. A trustee will visit you to evaluate your application.
